

 **Family Thought:**

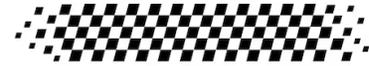

What's one promise of God you can remember when you feel unsure?

How can you show others that you trust God's promises?

 **Prayer:**

God, thank You that Your promises never fail. Help me trust You every day. Amen.

God's Way is the Best Way

1 *Whose Way Is Best?*

"For My thoughts are not your thoughts, and your ways are not My ways." — Isaiah 55:8

Have you ever argued with a friend or brother or sister about the "right" way to do something—like folding clothes or loading the dishwasher? Everyone has their own way, but when it comes to life, there's only one *best* way: God's way. His way is always full of love, kindness, and truth. Even if we think we know better, God sees more than we ever could.

 **Family Thought:**

Can you think of a time you wanted to do things your way instead of listening to God?

What happened?

 **Prayer:**

God, help me remember that Your way is always better than mine. Amen.

2 *Don't Settle for Less*

“Come, everyone who is thirsty, come to the waters.” — Isaiah 55:1

Sometimes we chase things that don't really make us happy—like trying to have the newest toy or always wanting to win. But those things don't last. God invites us to come to Him instead. He gives us joy, peace, and love that never run out. When we follow His way, we don't have to settle for “less.” We get the very best—Him!

Family Thought:

What are some things you want that don't really last?

How can you let God be what makes you happy instead?

Prayer:

Jesus, help me stop chasing things that don't really matter and find joy in You. Amen.

3 *God's Forgiveness Changes Us*

“Let the sinful one return to the Lord, so He may have compassion.” — Isaiah 55:7

We all make mistakes. Sometimes we're mean, selfish, or don't listen. But God doesn't just forgive us—He changes us! When we ask Him for forgiveness, He gives us a fresh start and helps us live in new ways. That's what it means to live God's way—letting Him change our hearts to be more like Jesus.

Family Thought:

Is there something you need to ask God to forgive you for today?

How would living God's way look different at home or school?

Prayer:

Lord, thank You for forgiving me. Please change my heart so I can live more like You. Amen.

4 *God Always Keeps His Promises*

“My word will not return to me empty.” — Isaiah 55:11

Have you ever had someone make a promise and then forget about it? People sometimes break promises, but God never does. When He says something, it always happens. That's why we can trust His way—even when it's hard. He promises to guide us, forgive us, and love us forever. That's the kind of promise we can build our whole lives on.
